

THE WHOLE FAMILY got into the act when Mrs. Barbara Jay Bennett of 8141 Nightingale and her three daughters, Brenda Carlene and Helen, stopped at Ford and Telegraph last Saturday to buy that Goodfellow paper from Patrolman Gilchrist McGuire.

VERY FIRST of the Goodfellow papers to be sold on the highly-successful drive last Saturday went to township Supervisor John L. Canfield. Delivering the paper himself was Ted Czerwinski Jr., president of the Goodfellows. Early totals indicated that this year's paper sale hit over $6,300. This added to the merchant solicitation funds and those raised by the special events committee will enable the Goodfellows to reach their $9,000 goal, Czerwinski indicated.

And He Thought 'Goodfellowing' Was So Easy!

Meanest guy in the township, without a doubt, is Melvin E. Chitwood, 6137 Silvery Lane. And he's got 90 days in Detroit House of Correction to reflect on the error of his ways.

Seems Chitwood thought an easy way to raise money would be to pose as a Goodfellow and go house to house collecting funds . . . with himself as the beneficiary.

Alerted by neighbors on Norborne, police picked Chitwood up, confiscated the $6.71 he had on him and turned him over for trial. After pleading guilty to obtaining money under false pretenses, Chitwood was sentenced to DeHoCo.

PUSH INCOME TAX FIGHT

Tea Party Protests Tax

Outdoing the Bostonians of 200 years ago will be township taxpayers protesting non-resident income taxes such as that levied by the City of Detroit in a special 'tea party" slated for the township hall Sunday afternoon.

Tea will be served . . . but more important petition signatures protesting continuation of the non-resident tax, or city income taxes consent of those taxed, will be gathered.

ROBERT G. MCLACHLAN, township trustee and chairman of the local Vigilance Tax Committee fight, has announced that the township hall, 6045 Fenton, will be open from noon Sunday, Dec. 6, to 3 p.m. in an effort to secure hundreds of more signatures to the protest petitions.

Supervisor John L. Canfield officially proclaimed the week of Dec. 16-21 as Detroit Tea Party Week Tuesday night. In his proclamation he urged "all citizens to lend their support by signing to securing a petition from their township hall Sunday, Dec. 16, from noon to 3 p.m. and daily thereafter from 9 a.m. to 5 pm. through Dec 21

The petitions points out that "our forefathers fought vigorously against this principle of unjust taxation which resulted in the Boston Tea Party of December, 1773 and the Vigilance Tax Committee has initiated legislation by petition to to provide that no local tax may be adopted without a vavorable vote of the people and that no such income tax may be imposed on non-residents

The petition calls such levies "taxation without consent as well as "taxation without representation."

Efforts to secure additional signatures are being organized by a group of volunteers, headed by McLachlan who promises they'll be in Indian dress Sunday, ready to "scalp" the non-resident tax proposers.

IN ADDITIONAL business Tuesday night, the board voted to rescind its earlier approval of a Class C liquor license to J. Ciachuch for a bar at Dolphin and Robindale.

Some 300 residents in the neighborhood have signed petitions protesting the bar. In addition, Mrs. Paciotti, 7099 Dolphin, owner of the property where Ciachuch proposed building his bar, told the township officials she has not given an option to purchase to Ciachuch nor does she intend to do so.

Trustee John M. Harris pointed out that "since all our license approvals are based on specific sites,

WARNING: Yule Looters To Be Prosecuted

Looting of outside Christmas decorations by youngsters will not be tolerated in the township this year.

That was the stern warning issued by the police department Tuesday.

"We've had a rash of larcenies of Christmas decorations and outside bulbs, as well as just plain malicious destruction," said Sam Vosovic, juvenile officer, "and we don't intend to put up with it. Our people go to a lot of truble to beautify the area and should not be harassed by childish mischievousness."

Vosovic added that he personally would take any youngster caught pilfering Christmas displays to juvenile court, and reminded all parents that they are reponsible for restitution for all the damages inflicted by their youngsters.

Two more such larcenies were reported here this weekend. Mary Lou Gnadt of 4979 Roosevelt reported that 23 outside Christmas lights were stolen from her home.

And Eva Schuch of 6503 Beech Daly managed to nab two 12-year-old boys after a short chase. She said they had been taking Christmas bulbs from her decorated trees and front porch. The boys were turned over to the police.

Anyone Seen This Dog?

Little three-year-old Dale Karolak, son of Mr. and Mrs. Karolak of 5941 Berwyn, was bitten by a stray dog last Monday . . . and his parents are looking for the culprit.

For unless the dog is found and checked out Dale will have to undergo extensive (and uncomfortable) rabies shots.

Anyone who spotted a brown and white mongrel and beagle, with black spots, dog in the vicinity of George and Midway is asked to please contact the Karolaks at CR 4-3505.

Bicylist, 11, Critically Injured in Accident

An 11-year-old township boy was critically injured when he rammed the bicycle he was riding last Saturday into the side of an automobile going west on Warren.

* * *

ROBERT RICHARD PORTA, of 7841 Amboy, was still in critical condition and given a 50-50 chance of recovery Tuesday.

Police said he pulled out of Woodworth Circle into traffic on Warren, hitting a car being driven by Alfred D. Cromwell, 34, of 6723 Henry Ruff, Garden City.

While Robert's bike was demolished, damage to the car extended to the windshield, and the front and right side.

Robert is the son of Mr. and Mrs. Robert R. Porta.

Ortago Named To Dist. 7 Board

Newest member of the District 7 school board is Robert Ortago of 22976 Brookside. Ortago was appointed Dec. 3 to replace Mrs. Alice Rautenkranz, who recently moved to Chicago.

Ortago will serve until the June school election, at which time he will be eligible to run for re-election.

A mechanical engineer, Ortago is married and the father of two sons, Robert, 16, and Tony, 14. He is also advisor of Explorer Post 1120, sponsored by the Pardee Area Civic Association.

Baby Beats Police, Doctor; All Doing Fine

A baby in a hurry was the little boy born to Mr. and Mrs. Robert Turgeon, 25633 Eton, early Tuesday morning, Dec. 11.

Arriving before the police or the family doctor could get there, the little boy was reported doing fine. He and his mother, Elsie, 23, were moved to Oakwood hospital by the Dearborn Township Fire Rescue Unit.

MD Drive Termed 'Success'

Dearborn Township's done it once again . . . opened its heart to a worthy cause, commented John H. McGreevy, coordinator for this year's Muscular Dystrophy drive.

With reports nearly complete on the door-to-door canvass conducted Dec. 4, McGreevy announces that already the south end has topped last year's total, with the north end nearly up to last year's amount.

Reported in from the south to date is $2,085, and the north has contributed $1,615.52. There are, however, three vital areas still to report from the north end, plus donations gathered by several key chairmen, as well as the commercial solicitations. Last year's north total was $2632.20.

These wonderful results would not have been possible, McGreevy stressed were it not for the fact that "our township people dug deep in their pocket, that the newspapers are gradually educating all our people to just how deadly is this disease and of course the efforts of our wonderful marchers and our leaders.

"It just goes to prove," he concluded, "that if you have a truly worthy cause that needs attention . . . people will go all out to support it."

Priscilla's Pop By Al Vermeer

Not All Santas Wear Red Suits

Contrary to mythology, not all Santas are garbed in red velvet suits . . . but the boys and girls eagerly awaiting that fateful day will never know the difference.

Little will it matter to them that men in blue uniform, in plaid jackets, trench coats, ear muffs and caps were the ones who made Christma spossible. And yet such is the case. For it was the hundreds of selfless township Goodfellows who gave up their Saturday last week to raise funds for this year's Goodfellow campaign that will make certain there'll be no kiddie without a Christmas.

These men came from all corners of the township, from all walks of life. But their one common goal was simply this: to see that each little boy and girl wakes up to a bit of cheer Christmas morning.

It was a long day, and a hard one. Goodfellow President Ted Czerwinski, for instance, started before dawn and kept going all day supervising the paper sale. After counting the paper sale proceeds, Czerwinski, just as Santa in the old tale, slipped off his shoes at home, settled down to relax with a cup of tea . . . and dozed off for a long winter's nap.

But as each salesman went home after doing his stint Saturday, he had the satisfaction of knowing once again Dearborn Township has met the challenge . . . and seen to it that Christmas bypasses not one boy or girl.

webster . . . Unabridged

Christmas shone out over Dearborn Tuesday night, as the huge 35-foot tree at the township hall was lighted with Supervisor John L. Canfield at the switch.

This symbol of the festive season is a beacon that throughout the northern will shine for blocks section of the township. Towering above the softly drifted snow in front of the township hall, George at Fenton, the tree shone softly with its 40 strings of 35 lights each. It was lighted as young District 3 carolers sang the old, and dear, Christmas carols.

At the close of the brief ceremony, township residents joined in with group singing before hot chocolate was served to the young carolers.

And how refreshing that township business could pause for 30 minutes, even on a meeting night, to mark the beginning of this Christ- the beginning of this Christmas season . . . so dear to us all.

MORE THAN funds are collected in the various drives for worthy causes. Jack McGreevy reports that the Dec. 4 march on Muscular Dystrophy not only raised its quota of money . . . it turned up two youngsters afflicted with the disease who may live better and longer thanks to the discovery.

INDIANS WILL be skulking around the township hall Sunday afternoon . . . mixing tax protests with tea, all in the interest of publicizing the fight against Detroit's non-resident income tax.

Bob McLachlan assures us that should any jokester show up, for the purpose of imbibing the committee's dearly-purchased tea . . . and then not be willing to join the VTC tax fight; watch out for a scalping!

Seriously, folks, you can add your John Henry to the swelling numbers who feel strongly about Detroit's long reach into your tax pocket simply by going to the hall Sunday from noon till 3 p.m. and signing the petitions. The tea's just sort of an extra!

Added inducement will be the showing of the hundreds of Goodfellow dolls on display Sunday and through next week.

So if you're out for a ride Sunday, stop at the hall at Fenton and George and kill two birds with one stone.

Here's Henry . . . *by jim brown*

One night right after supper Henry, Cat and I were sitting before the fire. It was chillly. Cat had curled his tail around his paws and fallen asleep.

Henry was seated on his pillow, gazing in the fire.

"A penny for your thoughts, Henry," I said.

* * *

"I'D RATHER have a carrot," Henry laughed." I was thinking about what the witch said to me on the way home. She told me she had no black cat to ride with her on her trips."

Henry and the witch had become good friends. He felt that since she had helped him return home, the least he could do was to find her a black cat. Unfortunately, he didn't know anyone other than Cat, and he was brown and white.

Suddenly, Henry started to chuckle. I didn't like the mischevious look in his eye. Before I could say anything, he jumped up and hopped into the kitchen. I could hear water running, pails banging and bottles clinking. There was quite a commotion.

* * *

AS A MATTER of fact, the noise woke Cat, who stretched and looked around for Henry.

"Oh, Cat," called Henry, "come help me, hurry!"

Cat sprang up and raced into the kitchen to help. I heard a loud scuffling and then — KERSPLASH ! !

Cat ran back into the room. Was he angry! He arched his back and hissed at the doorway.

* * *

I GOT UP to see what on earth was going on. What a sight met me in the kitchen. There was Henry, sitting in the middle of the floor, surrounded by a huge puddle of—Black Ink! Why, there was more ink on Henry than there was on the floor!

Henry smiled sickly, "I was going to dip Cat in the pail of ink, but he wouldn't let me. I was going to make him into a black cat, but he pushed me in, instead."

Cat came to the doorway, and started to laugh. He laughed so much, tears came to his eyes.

* * *

"HENRY, IT'S good to help your friends, but this isn't the way to do it," I said. Cat agreed, for he shook his head.

We put Henry in the tub and scrubbed for hours. To this day, Henry still has black spots that haven't rubbed off.

Navy Man Enjoys Hearing of Home

To the Editor:

I would like to give my deepest thanks for the person involved in having the Dearborn Heights Leader newspaper sent to me.

Whether out at sea or in port it feels real good to read what is going on at home. I have noticed the change in the paper, which has made a great improvement.

Without the paper I would have never been able to see my father's picture in the news columns (Joseph Anderson) and I have one great father to be very proud of.

I wish you a very "Merry Christmas" and a happy "New Year."

I once again thank you very much for the paper that is being sent to me.

Sincerely yours,
Dale Anderson, US Navy

The Editor:

Permit me to use this means to publicly thank you and the Dearborn Heights Leader newspaper for your valuable help to the 1962 Torch Drive.

We are grateful not only for the coverage you gave us, but also for the assistance you gave to our volunteer local chairmen who were responsible for making information about their community available to you.

We also need to employ this means to express our appreciation to the over 6,000 volunteer solicitors who called on each home and local business, and the contributors, who made a gift that keeps on giving throughout the year by their support of our 195 health and social welfare services.

The holiday joy of all those who participated should be enriched by the knowledge that they have made an important contribution to the welfare of their fellow man.

Sincerely Yours,
UNITED FOUNDATION
Wm. Humphrey Jones

Wed at Divine Child

★ ★ ★ ★ ★ ★

At Home in Livonia after Honeymoon

Recently married in ceremonies solemnized at Divine Child Catholic church, the Richard Lee Cutrights are now at home in Livonia following their honeymoon in Cape Cod, Mass.

The bride is the former Joanne Marie Bayer, daughter of Mr. and Mrs. Clyde Bayer, 757 N. Gulley, Dearborn Township. Cutright is the son of Mrs. James Cress of Detroit.

For her wedding the bride chose an ivory Bianchi gown of peau de soie fashioned with short sleeves and a round neckline. Her dress was highlighted with pearl and crystal detail and the skirt swept into a chapel train.

The bride's fingertip veil of illusion was caught up by a petal-shaped headpiece. Her bridal flowers were orchids, stephanotis and palm leaves in a cascade arrangement.

Maid of honor was Judith Bayer, attired in an opera green sheath, floor length, with a detachable overskirt and matching headpiece. She carried a bouquet of white friji chrysanthemums, croton leaves and bittersweet.

Best man was John Sanford and ushering were William Barclay and James Cutright.

For her daughter's wedding Mrs. Bayer wore a cranberry silk chiffon gown with a corsage of white orchids. Mrs. Cress selected a royal blue ensemble, also with a white orchid corsage.

Following a breakfast and evening reception at Dearborn Inn, the newly weds left for the east on their honeymoon. They are now at home at 32633 Oakley, Livonia.

Potluck Supper For Girl Scout Leaders, Workers

There will be a potluck supper tonight, Dec. 13, at the Oakley W. Best Junior High for Girl Scout leaders and troop committee members of the Pardee Area neighborhood.

Mrs. Harold Lock, neighborhood chairman and her co-chairmen, Mrs. William Carter and Mrs. Beverly Sonter, are in charge of the arrangements.

Each troop leader and her cohorts will either present a game or a song for the evening's entertainment. Instead of a gift exchange they decided two years ago to donate the price of a gift to a fund for the Penrickton Nursery for the Visually Handicapped in Taylor Township.

Christmas Party

St. John's Hall, Eton at Fellrath, was the seting for the Dec. 12 Christmas party and program given by the Rosary Altar Society.

In charge of arrangements were the program chairman, Mrs. Marge St. Peter, along with Mrs. Tillie Engle and Mrs. Marie Cousins. Others working on the holiday event were the social chairman, Mrs. Evelyn Huster, along with Mrs. Ethel Traxler, Mrs. Irene Hastings and Mrs. Stella Beatty.

McNair-Westwood P-TA Sponsors Yule Bazaar

Members of the McNair-Westwood P-TA sponsored a Christmas bazaar last Friday, Dec. 7, from 3:15 to 5:30 p.m. in the all-purpose room.

Bazaar attractions included a corsage bar, a penny booth, baked goods, plants, a snack bar and a Santa Claus.

Santa visited the kindergarten rooms that morning and in the afternoon before the bazaar opened. The first, second and third graders told him their Christmas wishes when the bazaar opened.

Helping make the bazaar a success, the school youngsters made posters and wrapped grab bags for the penny booth. The children's enthusiasm was high throughout the festive occasion.

Mrs. John T. Johnson, program chairman for the P-TA, and parents of the P-TA board, planned the bazaar with the cooperation of the principall, Donald Knodle.

Proceeds from this project will underwrite various school needs.

Robichaud Gives Yule Concert

The Robichaud High school chorus and band, along with the Roosevelt Junior High band, will present the annual Christmas concert Wednesday evening, Dec. 19, at 8 p.m. in the Robichaud auditorium.

There will be no admission charge. The same program will be given for students Thursday and Friday, Dec. 20-21.

When fresh dill is available, add it to fish chowder and to potato salad.

Included in the wide array will be books for beginners through sixth graders, and adult books as well.

Chairman of this project is Mrs. Earl Nowlin, and it is sponsored by the Madison P-TA. There will be no December P-TA meeting, due to the holiday rush.

Discussion Leader

Richard Hollowell, manager of the control office for Stroh's Brewery, appeared as a discussion leader in the Seminar on Direct Costing in Chicago Nov. 15-16 on behalf of the Detroit Chapter of National Association of Accountants. Hollowell, lives at 26735 Constance.

Children will be driven by a group of parents, including Mrs. Gilbert Hess, Mrs. Alex Magyar, Mrs. Arthur Grostick and Mrs. Norman Jones of Mrs. Matthew's class. Accompanying the children from Mrs. Beauvais' class are Mrs. Willard Blevins, Mrs. Norbert Dzinko, Mrs. Jerald Douma, Mrs. McCollough and Glen Toler.

IN 'Y' NURSERY

Mothers Shop in Peace While Youngsters Play

Would you like to have your child in a nursery while you do your Christmas shopping?

Every Monday morning the atmosphere in the Dearborn Area YWCA becomes charged with fun, work and relaxation. When mothers check their children in the nursery for only fifty cents, "Miss Pat" takes over.

Mrs. Terence Giamartin has a way with children. She keeps them busy playing games, singing, perhaps a movie, planned parties like the recent costume party, refreshments midmorning and other activities.

With a free mind mother may spend her morning in town shopping, or she may spend the morning at the YWCA. There are crafts to enjoy over a cup of coffee and interesting conversation. Mrs. Donald Meyer, program chairman, has planned many things to do for the coming months that would appeal to a variety of tastes.

With the holidays nearing rapidly, much of the program will be slanted towards making gifts for the home and for giving. There will be candle making, leathercraft, fancy packages.

In the past month Mrs. Frances Adcock instructed the ladies in ceramics and jewelry making. Mrs. Wayne Mahaffy brought in an old secret family recipe for making melt-in-you-mouth butter mints. Mrs. John Risko checked her child and spent the morning doing a portrait of Mrs. Robert Darr, who proudly framed it and has it hanging in her living room.

These are just a sampling of the programs planned for the near future. Check your Child, come in and relax on Monday morning, all just for the price of membership at the YWCA. Call LO 1-4110 for further information.

The combined junior and senior glee clubs from Daly and McNair schools presented a Christmas program of musical selections under the direction of the music teacher, Mrs. Majorie Martin.

Goodfellows Reach Goal

Township Goodfellows are right up to the $9,000 goal they set for themselves in this year's campaign to see that no township child goes without a Christmas.

Ted Czerwinski Jr., Goodfellow president, announced that approximately $6,300.76 was taken in on last Saturday's annual newspaper sale. In addition, the group has cleared $1730 on merchant solicitations and $300 on special events, such as the little league football game and the variety show.

"We made more money and sold fewer papers than last year," Czerwinski commented, "proving that the people really opened their heart and purse strings for us.

* * *

"WE WANT TO especially thank all those merchants who contributed to the Goodfellow campaign too late to be listed in the four special pages of last Saturday's Goodfellow Edition. They most certainly are not forgotten," he added.

Top corner salesmen last Saturday were the members of the Dearborn Township Fire Department who sold at Ford and Evergreen.

Second highest in sales was the corner at Ford and Outer drive, manned by the Little Leaguers.

* * *

Third place was taken by the Metropolitan Club and Southwest Association at Van Born and Telegraph. Fourth went to the Dearborn Township police at Ford and Telegraph and fifth to Al Pearce and his helpers at Van Born and Pelham.

* * *

THAT HOT COFFEE really hit the spot . . . as township Goodfellows braved the cold and snow last Saturday to sell their papers at all the main intersections. Here Sgt. William Zimmer gratefully accepts a steaming cup from JayShees Mrs. Gerritt Willemse and Mrs. James Willette.

Dolls Take Spotlight...

Pulchritude has taken over the township hall.

And business is nearly at a standstill.

For hundreds of fetchingly gowned Goodfellows dolls are going on display in special racks down the length of the main hall. There are dolls in bridal gown . . . in lavender evening gown, in matched sports ensemble and in modish street wear.

Warm - hearted township women with clever fingers have dressed these dolls to be given out to lonesome little girls this Christmas by the Goodfellows. Before delivery, they are displayed at the hall, and the best-dressed will be judged by a special panel next Friday afternoon, Dec. 14.

In the meantime, they may all be viewed during the regular daytime township hours . . . or next Sunday afternoon, Dec. 16, from noon to 3 p. m. The program has been conducted by Mrs. Genevieve Riggins, with the assistance of women's clubs, church groups and just plain Christmas-minded folks.

Change Artists

Sneak thieves broke into the Michigan Heating Supply at 24730 Van Born last Saturday night, taking $20 in change from the cigaret and soft drink machines.

Robbed of $500

Joseph Paleny, owner of the Original Joseph's Pizzeria, 3914 Telegraph, put in a costly weekend.

Paleny told police that between $515 and $615 was taken from his trouser pockets while his clothes were hanging in a back room at the pizzeria. He said that the room is normally used only for employes coats, but that he had noticed two strangers hanging about by the doorway earlier that evening.

To Memphis

Tom Titus left for Memphis, Tenn. last Friday night, Dec. 7, just three months to the day from when he joined the Navy, to attend the Aviation Electronics School there for 30 weeks.

His parents, Mr. and Mrs. Manley H. Titus, brother Richard, sisters Eileen and Kathleen, as well as Mr. and Mrs. Robert Crumpton, Jill Cox, Robert Thompson, Butch Davies, Nancy Davies, David and Sharon Keezer, Jean and John Jones and other friends were on hand to see him off at Metropolitan Airport.

Misinformation Circulated About Con-Con, GOP Told

There is a great deal of misinformation being circulated about the new constitution, Anna M. Conklin, a constitutional convention delegate from Livonia, told the Dearborn Republican organization last week.

She said that she and many other delegates expected to spend the three and and a half months before the April election explaining the various changes which are proposed.

Mrs. Conklin said the delegates debated each word and phrase and came up with a document that is 6,000 words shorter and much better than the present constitution adopted in 1908.

She urged citizens to study the work of Con-Con before deciding how they will vote in April.

Some people once believed that diamonds could be found only at night and, if planted, would grow a few inches every two or three years.

Heights Theater Group Meets Dec. 18

Warren Valley Country club is expected to be filled with the spirit of goodwill and friendship when the Dearborn Heights Little Theater members meet next Tuesday evening, Dec. 18, at 8 p.m.

The club's next production, "Send Me No Flowers", a three-act comedy laugh riot scheduled for late January viewing, will be the main topic of consideration at this meeting.

Reports from Arthur Brooks, the producer, and Alice Hill, director, will give results of the first five weeks of production.

Anyone interested in the Little Theater group is invited to attend the Dec. 18 Christmas meeting.

Trailway Players Hold Their First Workshop

First workshop meeting of the Trailway Players Dec. 7 proved to be highly informative and successful. This meeting marked the beginning of the group's two-year internal training program being conducted by Dr. Frank Jakes, executive director of the players.

A discussion led by Dr. Jakes and Lloyd Meredith covered such topics as reasons for existence of little theater groups, practical considerations for forming such groups, criteria for selecting a play and the problems of casting.

The Trailway Players concluded there were four main reasons for their existence. These are to give the members a sense of achievement, to provide an outlet for creative expression, to benefit their community culturally and also to have a social group.

They all felt that too few people in a small community have a chance to see a "live" play at a reasonable price and that little theater groups solve this problem. They also felt that the existence of a little theater group within a community helps to give that community cultural recognition.

Among the practical considerations which they listed for forming a little theater group were available facilities, available talent, financing, the size of the group and willingness of the members to work. In choosing a play, they felt one of the most important factors is the timeliness of the play — whether or not it fits the current mood of the country.

Good directorship is also important, since the director must interpret a play in much the same manner as an orchestra conductor interprets music. In casting, ability of the actors to work as a team instead of as stars is very important, along with physical characteristics such as appearance, grace and voice.

Gas Tanks Stolen

Two natural gas tanks valued at $14 each were stolen from his trailer last week, William Hosteller of 21851 Warren reported to township police. Hosteller, who supplies natural gas to the trailer park where he lives, said the tanks were taken from beside his own place.

Robichaud 'Ride' Atop Cage Poll Nearing End

BY ROG TURNER
Sports Editor

For the third consecutive week, Robichaud High — still without playing a game—is rated as the No. 1 basketball team in Western Wayne COounty by the sports pollsters.

But, from now on, Coach Harlan Norden's Bulldogs will have to sing for their supper—if they get any.

The Canines opened their season Tuesday night as host to Ecorse, a day after the sports pollsters had ranked them No. 1 for the third consecutive time—even if less convincingly than before.

* * *

THEY'LL PLAY again this Friday at Thurston, so the pollsters wil have a couple of performances to rate before the poll is completed next week.

There were no other major changes in the poll as the result of limited action last week. Belleville tripped up Wayne High about as expected, but the defending champion Zebras did move up into the No. 6 spot on basis of their performance.

Garden City, which formerly was No. 6, dropped two ball games in the meantime and also dropped to No. 8 in the ratings. The Panthers and Wayne met Tuesday night in a chance to settle that rating difference among themselves.

* * *

PENDING ROBICHAUD and Haston's first games Tuesday, all but two other teams in Western Wayne have now blown their opportunities to go unbeaten. Inkster and Wayne St. Mary are the unscathed fives, each with one win.

It Was Faculty All The Way At Roosevelt

District 8 faculty members, both men and women, came out victorious in the annual basketball games presented Nov. 30 under the sponsorship of the Roosevelt faculty and the P-TA.

While the students put up a good fight . . . it was the faculty all the way.

Students who played included Donald Head, Pat Rodriques, Willie Graham, Tom Burton, Charles Goree, Mike Ledbetter and David Barrick. Rodriques, Graham and Head led the scoring with 13, 10 and 7 points each. For the teachers, everyone got into the scoring column with Carl Suriano, Robert Nystrom and Peter Magnan leading with 11, 8 and 7. Other teachers who found the range were Arthur Dittmar, Frank Haynes, Ben McClain and Alvin Dean.

Playing for the girls were Mayme Barnes, Pauline Braxton-Davis, Jackie Butler, Merle Dews, Carol Sutherland and Connie Smith. Mayme, Merle and Angela Sweet led the scoring with 8, 6 and 6 each.

Miss Margaret Wiita, Mrs. Judith Straight and Mrs. Ann O'Hagan led the scoring with 14, 10 and 6 points each. Miss Carolyn Graff, Miss Barbara Ferguson, Miss Barbara Gorte, Miss Karen Bevis and Mrs. Eva Bears all starred on defense.

Guns Stolen

Two guns were found to be missing from the attic where he had stored them earlier this year, Phon Fall, 59, 3388 Ziegler, told township police last week.

Fall said after cleaning his Winchester 12 guage shotgun an antique 32 Colt slide-action rifle, he had put them away and not looked for them until Nov. 29 when they came up missing.

APPOINTMENT CONFIRMED

Kimmel Named Head Grid Mentor At Haston High

Haston High school will have a new head football coach when the 1963 gridiron season rolls around. Al Kimmel, a two-year member of the coaching staff at this Dearborn Township District 4 school, has been appointed to this post.

* * * * *

MR. KIMMEL'S appointment was confirmed by school officials this week. He will take over the assignment formerly held by Athletic Director Paul Klassen. Mr. Klassen will continue as director, and may possibly take another coaching assignment within the Haston system in addition to his duties as head of the athletic department.

Kimmell brings to his new job as head grid mentor a fine background of football coaching experience. Prior to coming to Haston he served as coach at Chesaning for eight years. He has assisted Coach Klassen with the Haston eleven the past two seasons.

A graduate of Central Michigan University, Kimmel received his Master's degree from the University of Michigan. He is married and has five children.

Spartans Win a Pair

Cherry Hill High's basketball team climbed back into the winning column with double victories during the past week.

The Spartans, who dropped their opener to Lowrey a week ago, came back Friday night with a rousing 54-42 triumph over Livonia Franklin and then added an easy 63-34 conquest of Country Day last night (Tuesday).

* * *

COACH TOM Judge's quintet now will travel to North Farmington this Friday to open its Tri-River season at 8 p.m. It also plays host to neighboring Haston next Tuesday night before breaking for the holidays.

Cherry Hill swamped Livonia Franklin with far more ease than expected. It led at every intermission, 13-9, 30-19, and 53-28 before Judge swept his bench clean and got only one point in the final quarter while coasting in.

Guard Bob Knapp led the scoring with 19 points and newcomer Tim Pryce added 15.

* * *

KNAPP GOT 18 more against Country Day and received assistance from Jim Tromeur (14) and Pryce (10) as the Spartans led 12-9, 32-14 and 49-23 at the breaks.

Pool's Full!

Full up to capacity is the township swimming program, inaugurated this year at the new Robichaud High pool.

Some 180 boys and girls are signed up for swimming classes and the township recreation department even had to turn some youngsters away.

They are hoping to add additional classes later this year to handle all who wish to take advantage of this no-charge swimming program. Anyone wishing additional information about this or any other township recreation activity should call the Rec. Department, LO 1-4040.

TRI-RIVER TEAMS OPEN SEASON

Rebels At Groves; Haston Plays Southgate

Riverside Is Gunning to Retain Title

Rebels Had 15-1 Record Last Lear

Returning to the cage wars after a week's layoff, Riverside High school's basketball squad will open its 1962-63 Tri-River Conference season this Friday night, Dec. 14. Coach Dennis Wilkie will take his defending champion Rebel crew into the Birmingham Groves gym with the reserve game slated to get underway at 6:30 p.m.

* * *

GROVES FAILED to look impressive in dropping a 65 to 46 decision to Cranbrook last Friday night but Coach Wilkie is not taking this loop opener lightly. He has problems of his own which came to light in Riverside's loss to Melvindale two weeks ago.

The Rebels, due to a break in their schedule, have had a week to work on some of their faults and should be better prepared for the Birmingham boys. Riverside gave unbeaten Melvindale a good ball game but ran into early foul trouble and this proved costly.

Coach Wilkie's squad is again handicapped by a lack of good height but the same was true last season and the Rebels overcame this disadvantage with good ball handling and excellent shooting. They hope to make the same formula work this year and expect to get some scrappy help under the boards from six footer Jim Pierce. He gave a good account of himself against Melvindale, as did another newcomer on the Rebel varsity, Jerry Grohowski.

Of course Riverside has veteran Neil Carter back at guard and this high-scoring lad with the radar shooting eye proved against Melvindale that he will be just as effective as last season when he established new scoring marks at the Dearborn Township school.

Riverside has sorely missed the court play of Ray Magreta who teamed so well at guard last season with Carter. Ray has been ill and his availability is uncertain. Injured Steve Price is continuing to work out and may see service much sooner than had been expected.

Riverside won the Tri-River Conference crown last season with an outstanding 15-1 record.

Expert to Give Pool Tips

A special exhibition will be put on at the Cue Stick, Seven Mile and Middlebelt, next Sunday afternoon, Dec. 16, at 2 p.m. and again at 7 p.m. by Jimmy Caras, the expert who beat world champ Willy Mosconi on national television last week.

The entire family is invited to attend, and there will be gifts for all.

From Monday through Friday the second hour of play is free until 7 p.m. at the Cue Stick.

BOB KNAPP (left) and Bob Hall are two of the mainstays of Coach Tom Judge's greatly improved Cherry Hill High school basketball squad. Knapp scored 19 points last week as the Spartan quintet topped Livonia Franklin and in so doing served notice it is going to be a prime contender this winter for Tri-River Conference honors.

Haston Bids For League Crown

Friday Night Game In Southgate Gym

Haston High school will open its bid for the Tri-River Conference basketball crown against Southgate this Friday night, Dec. 14, in the Southgate gym. The reserve contest will get under way at 6:30, followed by the varsity game at 8.

* * *

COACH TOM TAIT'S Haston crew opened its schedule Tuesday night against Lamphere but the Southgate encounter is the first conference game on the schedule. Southgate jumped off to a winning start last Friday night in trouncing intercity rival Schafer, 47-42. The winners held a 26-17 halftime margin. Ron Palmer's 11 points was high for Southgate.

Coach Tait is still experimenting with his ball club in an effort to pick out the most effective starting combination. He is working with an all-veteran crew that boasts excellent potential despite its so-so record last season.

Haston has fairly good height and if its attack can jell should prove a strong contender for conference honors. Guards Rick Brinn and Pat McGuire, center Mike Kerr and forward Bill Harland are almost certain to start against Southgate Friday. The fifth starting assignment will probably go to either Bob Wydick, Bruce McPherson or Ron Valente.

Haston, which started its season over a week later than most high school teams in this area, will host neighboring Garden City in a cage tilt next Tuesday night, Dec. 18. The Panthers of Garden City took it on the chin from Melvindale last Friday night, dropping a 63-43 decision. Guard Sam Chalton racked up 26 points for the winners.

Christmas Programs Are Scheduled At All District 4 Schools Next Week

Christmas programs are being planned at all of the District 4 schools, before the coming Christmas holidays.

Theme of the Wellever and Brainard programs will be "We Wish You a Merry Christmas," based on the traditional family Christmas and will be directed by Mrs. DeLamieleure, according to Richard Boatright, coordinator for the school programs and head of the department.

"Symbols of Christmas" will be the theme of the Berwyn and Highview programs, directed by Mrs. Gingrich.

The Wellever program is scheduled for Dec. 20 at 1:30 p.m. and is open to the parents. Brainard's program is to be Dec. 18 at 2 p.m.

The Berwyn program is set for Dec. 20 at 10:30 a.m., and Highview's is set at Dec. 21 at 1 p.m.

The junior and senior high choirs and instrumental groups will present a concert of sacred and secular music Thursday evening, Dec. 20, at 8 p.m. in the Haston High auditorium. This is to be directed by Richard Ensign, David Poff and Stanley Roose.

The choirs will include such selections as Old Lorraine Carol, an Indian Carol, the Shepherd's Chorus from Amahl and the Night Visitors, Thompson's Alleluia and the Christmas Song.

All Around the Heights

By GENEVIEVE MATRAS — Call 274-6788

Congratulations to Mr. and Mrs. Edmund Michalski, 6722 Kronin rd. Dearborn Heights, who had recently celebrated their 25th wedding anniversary.

Hosting the happy event were the Peter Garritanos of 7511 N. Gulley rd., assisted by the Walter Stasiaks of 6005 Grandville.

Among many friends and relatives attending the party were their two daughters and two grandchildren. The Michalskis were married in 1937 at St. Alphonsus. They are members of St. Linus.

HI, LITTLE NEIGHBOR!

Greetings to Barbara Marie, an eight-pound lass born to Mr. and Mrs. Gerald Chisholm of 8105 Kinmore, on Dec. 7 at Mt. Carmel hospital. Papa Chisholm is an electrical engineer at Levin, Pierce and Wolf, and Mama is a RN at Grace Hospital. Mighty proud are the Frank Chisholms, paternal grandparents; the Matt Fergusons, the maternal grandparents, both from Nova Scotia, Canada but proudest of all is sister Susan.

A SINCERE THANK YOU!

On behalf of the 200,000 victims of Muscular Dystrophy, this writer extends sincerest thanks to all of the district leaders and block marchers, in her area, for the fine cooperation and their personal efforts in making the annual MD drive a success; but, most of all, a resounding "thank you" to the many contributors.

CHILDREN'S PARTY

This writer had the pleasure of attending the children's annual Christmas party sponsored by the Michigan Bell Telephone Co., at its northwest office center in Southfield. This party was for the children of all employees who work at the center or live in the Royal Oak or Pontiac areas.

Approximately 2,400 children were entertained in four separate parties, two in the morning and two in the afternoon. While the children were being treated to acts by live clowns, Walt Disney cartoons and a professional puppeteer act, the parents were being treated to some real "goodies" baked in the company's cafeteria. Climaxing these wonderful parties was a visit by Santa Claus with a hearty wish for a Merry Christmas and a happy New Year!

OES

Matron, Mrs. Florence Larson, of the Gardenia Chapter, of the Eastern Star, announces a school of instruction meeting, Dec. 18, 7:30 p.m. at the Architect Temple.

Mrs. Evelyn Standard, the Grand Chaplain, will be the instructor. Refreshments will be served by the Gardenia Chapter.

Fire Chief Martin Honored by Fire Association

Fire Chief Harry Martin received a commemorative plaque and gavel from the Dearborn Township Firefighters Association at the Dec. 1 Fire Association banquet given in the K of C. Hall on Garling dr.

Carroll Brown, union representative, presented the gavel to the local fire chief.

Simon Chapple, executive representative of the Michigan State Firefighters' Association, was presented as a special guest. Martin is honorary member of the association in addition to being president of the southeastern Michigan Fire Chiefs Association.

No Music

A portable radio worth $45 was stolen from the home of Alonette Bratton, 26548 Powers, she told township police last Saturday. Apparently nothing else was taken.

All in a Day...

An emergency run brought the Fire Department's Rescue Unit out Monday morning to cut the ring off the finger of eight-year-old Debbie Hagley, 7300 Plainfield.

Next meeting of the Brainard P-TA is scheduled for Tuesday, Dec. 18, at the school's multi-purpose room promptly at 8 p.m.

Featured speaker will be Judge Ira Kaufman, presiding judge of the Wayne County Probate Court. Judge Kaufman is expected to talk to the P-TA members on the problems of the probate court. All members of the P-TA, as well as other interested persons are urged to attend this open meeting.

Judge Kaufman is a member of the board of the Metropolitan Association for the Blind, member of the board of Metropolitan Association for Mental Health and member of the Greater Detroit Association for Alcoholism.

His speech will follow the regular business meeting, and refreshments will be served at the close of the program.

VB Sr. Citizens Play Santa

Thirty-six members and five guests were present at the Van Born Senior Citizens Club meeting recently.

Celebrating birthdays were Mrs. A. Adler, Mrs. H. Danes, Mrs. V. Davies and Harvey Avery

Plans were made to provide Christmas baskets to be forwarded by the township Goodfellows instead of having a gift exchange at the club's holiday party.

A letter from Mrs. Edna Cauchon, one of the club's shut-ins, was read, Mrs. William Dehler read a poem, and Mrs. J. Garner played the piano. Songs and games concluded the program.

Investigate Cause Of $2,500 Fire

Cause of a $2,500 fire last Dec. 6 at 8516 Robindale is still under investigation, according to the township fire department.

The house, vacant at the time of the blaze, is owned by Richard E. Brown and is presently being remodeled to rent or sell.

While the fire apparently started in the bedroom, Lt. Malis said, exact cause is undetermined and still under investigation.

Color Slides Of Christ Birth To Be Shown

Color slides depicting Christ's birth will be shown when the Dearborn Christian church (Disciples of Christ) holds its monthly fellowship dinner at 6:30 p.m. Thursday, Dec. 20., at the Dearborn Youth Center.

Children of the church, ranging from nursery school age through the Christian Youth Fellowship groups, have worked for two months posing in costume for these color slides.

Slides have been made depicting different angles of the manger scene, the shepherds and choirs of angels. Mrs. Gene Frey, 5881 Plainfield rd., will read the nativity story and a tape recording of the youth group singing Christmas carols will accompany the showing of the choirs of angels.

Mrs. Don Sutherland, 6006 Ardmore Park Circle, did the camera work for the program.

Christmas Crafts Featured at Ford Museum

"The Crafts at Christmas" will be featured in the Henry Ford Museum's annual holiday exhibition Dec. 7-30.

Antique gifts and decorations, as well as the crafts by which they were made, will be on display.

Crafts to be demonstrated include glass blowing, doll making, rug hooking, cookie baking, pewter casting, printing and candle making. Twin Victorian Christmas trees trimmed with handblown glass ornaments will highlight the display.

The Christmas exhibition will be open Dec. 7 through 30 with the exception of Christmas Day when the museum and Greenfield Village will be closed. Museum hours are 9-5 daily, 9-6 weekends.

Yule Concert

Riverside P-TA members will hear a special Christmas concert Thursday night, Dec. 20, at 8 p.m. in the District 3 high school.

The program is being presented by 300 members of the junior high and high school bands and chorus, with John Ruff and Mr. Mead in charge.

Special holiday music will be featured, and the chorus will close the program with a group of Christmas selection. Refreshments will be served at the end of the program.

Best Bulletin Board

By KATHY McGREEVY

Last Thursday, Dec. 6, our first basketball game of the season was played at Haston.

The varsity, after leading Haston in the first three quarters, failed to score in the final 15 minutes. Two free throws made by Haston led to our defeat.

John Flanagan, John Brown, Bob Fox and Joe Gary played outstanding games in spite of the loss. Final score was 23-18. Joe Gary was high in points, with a total of eight .

The bench strength of the junior varsity proved to be very helpful, said Coach DeMarais. In overtime, after Haston made one of their baskets, Doug Toth tied the score. Jerry Miller's two free throws put Best ahead, where we stayed for the remainder of the game. Maurice Miller and Chris Korte played excellent ball throughout the game. Miller was high in points for the junior varsity with eight to his credit.

The school band and chorus will present a concert Thursday, Dec. 13, in the school auditorium. All students are invited to attend, but must be accompanied by a parent.

★ Tea Party

(Continued from Page 1)

we have no choice but to rescind the license . . . if there is no bona fide option to purchase then we certainly cannot approve the license." The board was unanimous in its vote to rescind their earlier action approving the license.

Opponents to the bar approval had been led by Mrs. Beauchamp o Dolphin, a long-time resident who indicated that "we neighbors feel we already have too many bars in the area . . . don't need any more."
