DISAGREEING . . . with his police chief, Claude Broom, on one point under discussion was Police Officer Robert Salem.

ON CIVIL SERVICE

Have A Say

This time the employers listened . . . and their help did the talking.

• • •

IT WAS THE night set aside by the Civil Service Committee of the Dearborn Heights council for hearing all firemen, policemen and employees of the city air their views on the Civil Service Act even now being drafted.

On hand were representatives from all three groups, with Jack Salois representing the firemen's group and several police officers speaking out.

Conducting the meeting was Committee Chairman Raymond A. Heinrich. The meeting had been called by Vice-Chairman Houston M. Lovelace Jr. at Heinrich's request during that councilman's recent vacation. The group is moving ahead on plans to complete drafting of the Civil Service Ordinance for presentation to the council as a whole.

• • •

FIREMEN PLUGGED last week for incorporation of State Act 78 in the new ordinance. Approval of the act was voted by 7 to 1 by voters at the April 1 township election . . . only to be thrown out the window by subsequent incorporation of the new city.

Other members of the committee are, beside Chairman Heinrich and Lovelace, Councilman John M. Harris and four citizens including Walter Howell, Don Trevas, Gerrit Willemse and Dwight Vincent.

Once the committee has decided upon content of the act, it will be drafted in legal form by Corporation Counsel Ronald J. Prebenda and placed before the council next month.

Police Rookies

Dearborn Heights newest crop of police officers will be graduated Aug. 23 from their training at the Metropolitan Police Academy of Michigan.

They are Dennis C. Anderson, Harold B. Backman, Jerome P. Chismar, Rodney R. DeSimone, Robert C. Dowidait, Robert J. Krol, Marvin E. Manning, Richard McIntyre and Daniel E. Schmidt.

LISTENING INTENTLY . . . to various views on the proposed Civil Service Act last Thursday were Councilman and chairman of the Civil Service committee Raymond A. Heinrich and Councilman Houston M. (Bud) Lovelace Jr.

NEIGHBORS CRY:

Don't Fence Me In —

Fences — windbreaks — privacy shelters — pool screens. Where to allow 'em and where not had the city council scratching its head.

Mayor John L. Canfield laid the problem before that body Tuesday night pointing out that never a week goes by without several requests for other than the traditional four foot, chain link fence.

And what makes it so difficult is that many of these so-called "fences" don't enclose anything . . . so maybe aren't really fences at all and so aren't in violation of the city ordinances.

All in all, the councilmen agreed to review their legislation on shoji screens, redwood paneling and all the rest of the innovations that have sprung up across the country with the swing to back-yard living. Then they'll confer with Corporation Counsel Ronald J. Prebenda in an attempt to draft some uniform regulations.

In the meantime, city offices will continue to be swamped with requests to arbitrate between "fences" that look beautiful to the builder . . . but are anathemas to their neighbors.

Deny Warrant Demand

Homeowner-Builder Told to Arbitrate

A demand that city officials be forced to issue a warrant for the arrest and prosecution of Sullivan-Smith Builders was denied in a heated council session Tuesday night.

• • •

CHARGING THE firm has failed to rectify what others contend is an "ever-changing" list of construction complaints on his new home, Donald W. Grant kept insisting on prosecution of the builders.

"Why, we couldn't pull their license if we wanted to," stated ed out Mayor John L. Canfield, pointing out this is a state, not local, licensing function. "We just do not have enough evidence to warrant any prosecution under the city Building Corporation and Securities Commission to which Grant has appealed."

Even so, Grant appeared before council Tuesday to insist the construction firm, which built Kingswood Estates in which he lives at 27244 Wilson Blvd., be brought to trial in the local courts. Sulivan-Smith has also developed and built River Oaks Estates in the city.

• • •

HIMSELF AN attorney, Grant drew fire not only from Mayor Canfield but also from Ronald J. Prebenda, corporation counsel, with his implications of other than fair treatment in the city's refusal to issue a prosecution warrant. Canfield loudly objected to Chairman Joseph McCarthy's allowing "derogatory statements without basis" to be made about officials in public calling it an "inference on my character and honesty".

And Prebenda said, ". . . I'm not going to get excited but my guts are burning up. It has been my considered opinion, after reviewing the facts that there is insufficient evidence to bring this matter to trial . . . this is my best judgement. The judges have refused to issue a

Double Taxes Ahead?

Double income and sales taxes may be around the corner for Dearborn Heights residents and other Michiganders . . . but not without drawing a blast from State Senator William D. Ford.

Clarification of Gov. George B. Romney's tax program, still not made public was sought by Ford in a wire sent to the Capitol Tuesday morning. In part it said:

• • •

"CONSIDERED IN light of past conferences with you and your immediate staff your statements to press now seem to indicate your program will advocate both local and state income taxes and/or both state and local sales taxes.

"Such a program would be impossible for me to support if you contemplate state, city and county income and sales taxes could or would all be imposed at the same time."

Ford notes that the unveiled Romney tax package would "provide relief for property

$1½ Million Budget OK'd in '4'

School officials of District 4 Monday night approved a record operating budget for the coming year of just under $1½ million dollars. A better-than-balanced budget, it provides for the wiping out of the school district's present $115,000 deficit as well as a comfortable $26,960 surplus at the close of the year next July 1.

According to Supt. Howard E. Parr, the board anticipates an estimated income of $1,579,619.16. Of this it has budgeted $1,437,658.67 for the 1963-64 estimated expenses, thereby allowing it at least to eliminate the deficit it has been carrying.

• • •

"CAREFUL FISCAL controls instituted by the board just one year ago," he pointed out, ". . . resulted in a budget surplus of approximately $44,000 which was applied against the old deficit. The millage voted by the citizens May 7 and the use of this same fiscal control next year will enable us to eliminate the

Music Under the Stars

Final outdoor band concert in the '63 series sponsored by the city is scheduled for tomorrow night, Aug. 16, with the Great Lakes Naval Concert Band performing.

Music is set to begin at 8 p.m. at the Municipal Field located just behind the city hall, 6045 Fenton. In case of rain, the concert will be moved indoors to the Riverside High auditorium, Warren at Beech-Daly. Mayor John L. Canfield will spak briefly to the music-loving crowd and will introduce the guest conductor.

Foot Bridge

School children in the south end will no longer have to go through the mud on Banner between Andover and Currier.

Council Tuesday night approved the construction of a pedestrian foot bridge at that location at a cost of some $1250 on a motion by Robert McLachlan and Raymond A. Heinrich.

Dist. 4 Ups Three Teachers

Three teachers in School District 4 were advanced to administrative positions by the school board Monday night. They include Mrs. Eleanor Pieti, Richard Boatwright and Albert Kimmel.

* * *

MRS. PIETI, former Berwyn kindergarten teacher, replaces James Brown as principal of Highview school. She received her B.A. degree at Wayne State University and her M.A. also from WSU and has taught for six and one-half years, the last four in the local school district. In addition, she also has served in such positions as president of the local teachers association and inter-school committees.

A. KIMMEL

* * *

BOATWRIGHT, former music department head and vocal music instructor, replaces Jack Robison as principal of Wellever school. Boatwright completed his B.M.E. at Eastern Michigan University and his M.A. in elementary school administration at the same university. He has taught for 12½ years, the last nine in this district. This past year he served as part-time staff writer to draft and develop policy for the superintendent.

* * *

KIMMEL, former Haston High science teacher and coach, replaces Paul Latham as assistant to the high school principal. Kimmel is a veteran of 12 years teaching and coaching experience and came to this district two years ago. He completed his B.A. in science at the University of Michigan where he also took his M.A. in administration of physical education and health.

He has served as head of the high school's science department and as a part-time attendance officer at Haston.

Health Clinic

The Mobile Immunization Unit from the Wayne County Health Department will sponsor a clinic for adults and children in this area next week.

The unit will be open Wednesday, Aug. 21, from 3 to 8 p.m. at Robichaud High school, 3681, formerly Inkster now in Dearborn Heights.

Children between three month and six years will be given one innoculation providing protection against polio, diptheria, whooping cough and lock jaw. Youngsters up to 15 will receive a shot which provides protection against polio, diptheria and lockjaw. Adults and children over 16 will be offerel polio protection.

There is a minimal fee of $1.00 but Dr. Molnar says that no one will be turned away for lack of funds.

ON 10th ANNIVERSARY

Bank of Dearborn to Mark Day

Ten years go this month—on August 26, 1953, to be exact—the Bank of Dearborn first opened its doors to the public. Behind this significant event lay the thought and planning of a small group of Dearborn business and professional men.

* * *

THE BANK WILL mark the occasion over the period of the next two weeks, according to J. Ralph Wagner, president. On Monday, Aug. 19, the Main Office will have completed its move from the office on Warren Ave. and Miller rd. to new quarters in Westborn Shopping Center—Michigan at Outer Drive.

On Monday, Aug. 26, Wagner continued, all eight offices of the bank will observe Anniversary Day for customers and friends. Refreshments, including birthday cake, will be served; and there will be souvenir gifts for visitors.

At the same time, he said, a week-long open house program at the new Main Office in Westborn is scheduled.

* * *

THE PHYSICAL move of personnel and equipment will take place after the close of business at noon on Saturday, Aug. 17, and Sunday will be devoted to preparing for regular business activities on Monday.

Bank officers moving from the Warren and Miller office to the new office in Westborn include J. Ralph Wagner, president; Marvin J. Criger, senior vice-president; Donald G. Burnett, vice-president; James G. Watson, cashier; Raymond C. Larrair, auditor; and assistant cashiers Theresa M. Perry, William D. Rosser, and Herbert Smith.

According to Wagner, the new main office will be headquarters for all bank customer services, but, he added, the managers of all bank offices, including the Warren-Miller rd. office, will continue to serve completely the banking needs of their customers.

* * *

Local business and professional men who serve as directors of the Bank of Dearborn include: Jesse W. Bollinger, chairman, attorney at law; Edward T. Arcy, president of Dearborn Gear and Tool Co., and Acme Screw Products, Inc.; E. Roy Bryant, Bryant Motor Sales; Robert S. Gay, manager of the Robert S. Gay Agency, Prudential Insurance Company of America; Frank B. Holbrook, president of Holbrook Buick Co., Inc.; George H. Karcher, Karcher Agency, Inc.; Nate King, N-K Realty Co.; John A. Lesinski, U.S. Congressman; Frank C. Padzieski, president of Dearborn Underwriters, Inc.; David C. Sloss, attorney at law; and Wagner.

The new telephone number for the bank is CRestwood 4-1000, effective Aug. 19.

Mayor's Report

This Friday, Aug. 16, marks the end of the Recreation's Department program of band concerts. So have just been reasonably far this year the concerts well attended. I have only been able to be present once myself, but have had several calls complimenting the players.

Purpose for mentioning this today is to talk about the program for this Friday night and to urge that you attend if possible.

The Great Lakes Navy Concert Band from the Great Lakes Navy Station will be present for this evening, and we would urge that as many as possible attend for more than one reason.

First, we are sure that you will enjoy the evening very much and second our turnout last year was not too good and unless we have a larger crowd than last year, we probably won't be able to get them back next year.

Don't forget the time and place: this Friday, Aug. 16, at 8 p.m., Municipal Field on Silvery Lane one-and-one-half blocks north of Ford road. Put your lawn chairs in the car and bring the kids for an enjoyable evening.

The next date we want you to keep in mind is Saturday, Sept. 14, in the afternoon. This is Open House Day at the Dearborn Heights Police Station, and we hope this will be the only time you have occasion to visit this Station.

We want you to see and watch our officers as they practice shooting on our Modern Gun Range, and we also want you to see the 75 or 80 bicycles which are unclaimed and must be sold shortly simply because a serial number was not written down and a license purchased. More about this later.

See you next week!
John L. Canfield, Mayor

Who says our police are hard-hearted or unresourceful?

Not a little, lost five-year-old found wandering around the south end last Thursday.

Found in the neighborhood of Van Born and Harding early in the afternoon young Diana Adams proved to be charming to the officers and undaunted by her situation.

But she could be of very little practical help.

Only light she could shed on the problem of where little Diana lived was:

"a big red house trailer."

And so off in pursuit of that house trailer went Juvenile Officer Sam Vosovic, who admits he's a sucker for little girls . . . having three youngsters himself, all boys.

For two long hours, north and south V,osovic scoured the trailer parks of Dearborn Heights looking in vain for that "big red house trailer". But no luck.

So at last he decided to start back again from the place of beginning and took Diana, still charming and cooperative, back to the Van Born and Harding area. There they were spotted by an older youngster who quickly reunited Diana and her mother, Mrs. David Adams, who had been searching the area all afternoon.

As soon as Vosovic could get a word in edgewise between re-united mother and daughter, he asked Mrs. Adams just where her "big red house trailer" was.

"Oh, back home," Mrs. Adams smiled, "in Corvallis, Oregon." And went on to explain she and her husband attend the university there and were home visiting her own mother on Harding.

Vosovic's still wondering if the city would have approved travel-time all the way to Oregon to track down his only clue in the 'Lost Diana Case.'

remaining operating deficit by next July without limiting educational programs or materially reducing our services."

The tax rate set by the board totals 30.61 mills. This millage will bring in $1,144,918.04 in taxes off the state equalized valuation for the district of $37,403,379. Balance of the income will be in state funds.

* * *

"THIS TAX LEVY of 30.61 will allow the school district to meet its debt retirement obligations, provide sufficient funds for the 1963-64 operating budget, liquidate its operating fund deficit and create a small ending balance in the general fund.

"The tax rates (set by the board) are slightly under the rate predicted by the board as a part of the study for the May 7 bond and millage election," Parr concluded.

Wellever School Custodian Named

Herbert Clay was named head custodian of the Wellever school this week by the District 4 schoolboard. Clay has been with the system since January, 1959 and a member of the community 14 years.

During the past three years he has acted as chairman of the custodial policy and salary committee and in addition has attended custodial and maintenance courses at Michigan State University and Henry Ford Community College.

Clay lives with his wife, Hattie, and five children at 5676 Vernon.

THEY'RE NEVER TOO young nor too old for the series of outdoor band concerts sponsored by the city's Recreation Department during the summer. This year's series will end with tomorrow night's concert, biggest and best of the year. On the stand will be the well-known Great Lakes Naval Concert Band, considerably expanded from its appearance here last year. The rapt faces of those attending last year's concert presages an ever greater and more enthusiastic turnout Friday night at Municipal Field. (For full details see story, Page 1)

City Briefs

THE CITY'S proud new police station is getting a hair-trim and manicure prior to the big Open House set for Saturday, Sept. 14. With practically every last inside detail and furnishing taken care of, attention is being transferred to the landscaping around the building so that all will be ship-shape for the public showing.

Featured will be pistol matches from 2 to 4 p.m. that day, Chief Claude Broom says. In addition there will be guided tours throughout the 1 to 5 p.m. Open House with every one in the Heights urged to visit the most modern station anywhere in the area.

CALLING IT a "convenience" store rather than a budget store, personable young Joseph L. Hudson threw open his firm's new Dearborn Budget Store at Greenfield and Michigan to the press Monday afternoon. Predicting that the Dearborn store would set a new pattern for budget stores, Hudson said that it would now be the headquarters for all of Hudson's budget branches.

"We make it a matter of corporate policy," he told the press, "to provide all our stores, even these budget or convenience stores, with the greatest possible merchandise assortment. Of course, we still plan to pour considerable capital into our downtown store, one of the greatest merchandising centers anywhere in the world."

CITY DEMOCRATS who turned out for the club's annual party at the Detroit Race Course were greeted with news that the usual cocktail hour preceding a buffet lunch was being dispensed with and that all ticket holders would be reimbursed with two silver dollrs.

Quipped Dick Young (city treasurer and president of the Dems) "Well, looks like when the Democrats were in power the race track might have been giving drinks away . . . but now the Republicans are in, they're giving MONEY away!"

TWO YOUNG men familiar to Dearborn Heights folks are at the helm of the nearby Cherry Hill School District.

Just this week JIM BROWN, former principal at District 4's Highview school, took over as administrative assistant to the superintendent. And that superintendent is none other than ALAN MATHISON, a former local man, who had served as assistant to the previous superintendent.

IN OSAGE, IOWA

Lona Evans Weds D. Miller

MR. and MRS. DUANE W. MILLER

The marriage of Lona Marie Evans of Dearborn Heights and Duane Wilbur Miller of Osage, Iowa was solemnized July 27 at the Sacred Heart Catholic church in Osage.

Parents of the bride are Mr. and Mrs. Charles Evans of 7155 Plainfield rd. The groom is the son of Mrs. Leo Ross of Osage and the late Wilbur Miller.

* * *

THE DOUBLE - RING ceremony was performed by the Rev. Fr. Lloyd Reuter before an altar decorated with bouquets of white gladioli. Beth Driscoll was the organist and accompanied the soloist, Loren Brumm. Acolytes were Tom Driscoll and Kent Kubicek.

Presented in marriage by her father, the bride was radiant in a ballerina length gown of white nylon chiffon over taffeta. The front neckline was caught at the shoulders with spaghetti straps, and her lace overjacket featured three-quarter length sleeves and a high neckline. The skirt's unpressed pleats provided fullness. Her shoulder-length veil was caught up by a tiny headpiece of lilies-of the-valley, while her bridal bouquet was a colonial design of rosebuds surrounded by white carnations and set off by white satin streamers.

DIANE LANE of Dearborn Heights was the maid of honor, and best man wasHarold Miller, brother of the bridegroom.

Seating the guests were Gary Nehls and Dean Rogers of Osage. Mr. and Mrs. Leo Ross hosted a reception at their home following the church ceremony, with Miss Lane and Mr. and Mrs. Evans assisting.

The couple is at home at 902 State st., Osage. The bride graduated from Haston High school last June while Miller is a graduate of Osage Community High school and served four years with the U.S. Navy.

Out-of-town guests attended from Dearborn Heights, from Nevada and from Elma, Alta Vista and Charles City, Iowa.

Plan Decorations For St. Albert's Sept. Festival

Hard at work planning outstanding decorations for the big annual festival sponsored by the parish of St. Albert the Great is Mrs. Clarice Gerych. Assisted by her husband, the two chairmen are ably assisted by a large group of fellow parishioners.

Among those helping the Gerychs on the Sept. 27-28-29 festival are Mr. and Mrs. Jack Cummings (co-chairmen), Mr. and Mrs. Don Healy, Mr. and Mrs. Charles Newton, Mr. and Mrs. Jack Kester, Mr. and Mrs. Eddie Abbate, Mr. and Mrs. Paul Helms, Mr. and Mrs. Jerry Booza and Mr. and Mrs. Gerald Methven.

Hudson's Opens Store in Dearborn

J. L. Hudson's newest budget store opened in nearby Dearborn yesterday, well prepared for the capacity crowd expected for the grand opening days Wednesday, Thursday, Friday and Saturday, Aug. 14-15-16-17.

This seventh budget store opened by Hudson's is best described as a store within a store. "It is here because of the new concept which we believe is in keeping with the times," Hudson executives point out. "We do not believe that any branch store, even one as large as this, can properly be a complete image of Hudson's as most of us know it, but we do feel there is a need to bring an important part of Hudson's closer to the many thousands of shoppers in this west area.

* * *

BRIGHT AND cheerful, this is an unusual budget store in that it provides carpeted areas with comfortable seating arrangements for busy shoppers as well as an unusually wide price range of the many selections. It is easy to shop quickly with self-selection displays and convenient check-out facilities where all purchases are paid for or charged at one time. It is designed for streamlined, efficient and easy shopping—service when needed. Some of the department will have full sales assistance, as opposed to some "discount" type of stores.

Total area of the store, located at Michigan and Greenfield, is 86,254 square feet and cost in the neighborhood of $3 million, complete. It is air-conditioned for year around shopping comfort and includes 20 fitting rooms for women, six for men and boys.

The convenient snack bar has tables and chairs. It's a handy place to stop for a soft drink, a quick snack or a treat for the youngsters.

* * *

ANOTHER UNUSUAL feature is a complete beauty salon . . . specializing in women's and children's hair-cutting as well as permanents, manicures, styling, wigs and hair coloring.

The Dearborn Budget Store will be open every night for more family shopping time. Store hours are 9:30 a.m. to 9 p.m. Monday through Saturday. There is ample free parking in the lighted, paved lot.

Hudson's policies on charge accounts, extended payment plans, deliveries, layaways, return service and competitive pricing will be in effect at the Dearborn Budget Store as it is at every Hudson store.

Wm. Crick Manages New Store

William T. Crick is manager of Hudson's new Dearborn Budget Store which opens this weekend. He is a former manager of Hudson's Pontiac Mall Budget Store. Married and the father of six children, Crick served from 1942 to 1945 with the U.S. Marines in the Pacific.

Crick joined Hudson's in 1947 as a salesman in the Budget Store linen department. In 1948 he was promoted to assistant buyer in the Budget Store lamp department. He was named assistant merchandise manager in the Budget Store home furnishings division in 1954 and in '56 was promoted to assistant Budget Store manager for Hudson's Northland.

He returned downtown in '57 to become assistant merchandise manager for the Budget Store ready-to-wear division. In May 1962 he was named manager of Hudson's Pontiac store.

Charge Taylor Youth With Market Theft

An 18-year-old Taylor Township youth is charged with breaking into a south end market last weekend and robbing it of $100 in change and a .32 calibre, nine-shot pistol.

DENNIS SALLARS of 5895 Marvin, Taylor was released on $500 bond after being arraigned on the charge before Dearborn Heights Municipal Judge George E. Wicklund.

Police say that they recovered some $35.52 in change at the time they took Sallars into custody.

AIRMAN HOWARD K. Blackburn, son of Mr. and Mrs. Isaac C. Blackburn of 5320 West Point, is being reassigned to Greenville AFB, Miss. for technical training as a U.S. Air Force fire protection specialist. ROLLS UP 142 POINTS

Fairlane Takes Rec. Trophy

Despite a poor closing performance in the horseshoe and tether-ball tournaments, Fairlane School District managed to score a greater number of points through the course of the summer in the Dearborn Heights Recreation Department Weekly Events.

* * *

FAIRLANE FINISHED the summer program with a hefty 142 points while runner-up Cherry Hill, 110 points, remained doggedly in contention throughout the season.

District 3, the 1961 and 1962 winner, slid to third place despite a late season surge. District 8 followed with 76 points, District 7 with 58 and finally District 4 with a curious low of only 23 points.

A trophy will be presented to the Fairlane District in honor of their efforts in city wide competition in the following events; table tennis, Junior Olympics, badminton, volleyball, newcomb, horseshoe pitching and tether ball. Fairlane dominated the table tennis and badminton tournament while tying for the lead in volleyball.

THE CHERRY HILL district managed to finish first in the Junior Olympics by a scant two point margin over District 8.

District 7 finished with the greatest number of points in the horseshoe tourney and Cherry Hill led the tether-ball competitors by a single point.

Dist. 7 Cops Horseshoe Tournament

District 7 managed to cop two of the three first place positions in the Dearborn Heights Recreation boys horseshoe tournalast Thursday afternoon.

Val Del Piambo won the Class A play while David Poole managed the first place finish in Class C competition, to give District 7 the only entry with two first place finishers.

* * *

AARON DYTINIAK won the Class B competition as he represented District 3 in the Heights Weekly Event. Del Piambo, Dytiniak and Poole were awarded the first place trophies in each of their classes. Vince Cosentino was the runner-up to Del Piambo in Class A, and he in turn

DAMON MORTON isn't so sure about those "better mouse traps" but he's got ample proof that his special lures really land the muskies . . . and here's proof. Shown with Morton and two of his young admirers is the 22 pound, 44 inch long tiger muskie caught by Ray Drezba Aug. 3 in Lake St. Clair. Drezba used Morton's lure, an original creation, while fishing in the "dumping grounds" of Lake St. Clair with his step-father, Loyale Poleman of Dearborn. He battled the muskie for more than two hours before boating it, only to have it bite him in the knee and rip a hole in his pants. He finally stunned the huge muskellunge with an oar. Shown here with the Heights' manufacturer of original fish lures are Larry Pomeroy and Thomas Maidens.

Pee Wee Olympics a Success

★ ★ ★ ★ ★

Parkway School Site of Rec. Supervised Competition

Parkway school was the site of a Pee Wee Olympics for boys and girls seven through nine years of age. The event took place Aug. 7 under the supervision of Dearborn Heights Recreation personnel Frank Brandt, Janet Sukovich and Ken Stacey.

Six and seven-year-olds were allowed to compete in two events, while the eight and nine year olds had three events in which they were eligible to participate.

ONLY DOUBLE winner in the meet was Nancy O'Neill who placed first in the 50 yard dash and the rope jumping competition. Other winners were:

Six and seven-year-old events

Girls 25 yard dash — Jill Cyrus

Girls rope jumping — Nancy Croll

Boys 25 yard dash — Bobby Osip

Boys baseball throw — Jim Hopkins

Eight and nine-year-old events

Girls 50 yard dash — Nancy O'Neill

Boys 50 yard dash — Robert Hughes

Boys baseball throw — Ricky Morelli

Boys running broad jump — John Croll

Arney's Claim Crown!

In their third and final game with J & Y Bar, Arney Brothers came out on top with a 9-2 victory to claim the 1963 Municipal League Championship. This third game was necessary because both teams had beaten each other and needed a victory for the championship.

Arney's jumped off to an early lead in the first inning and maintained it throughout the game. They had accumulated 5 runs before J & Y finally scored in the bottom of the fifth. J & Y Bar's downfall was brought about by four fly balls that were dropped in the outfield and the continuous sharp hitting of the Arney Brothers team.

The victors' hitting was only surpassed by the sensational fielding plays in the outfield. Bob and Art Thomas made unbelievable catches to help spark the team on.

Along with the fielding Bob Thomas and Neil Carter paced the team with two hits apiece. Ed Austron, of J & Y Bar, drove out two safeties to counter for his team. The final results showed Arney Brothers 10 hits, 9 runs and 2 errors, J & Y Bar, 5 hits, 2 runs and 6 errors.

Sister Acts Fare Well In Heights Tether-Ball

Denise Stemlo captured a first place trophy in Class C tetherball competition and her sister Cheryl took home a third place trophy in the Class B contest. District 7's Michele and Marilyn Labadie also managed to take home two trophies for their efforts.

• • •

MICHELE PLACED second in the A competition while Marilyn was runner-up to Denise Stemlo in Class C. The Stemlo girls represented District 3 in the tourney that took place at Municipal Park under the supervision of the Heights Recreation Department.

Michele was topped by Cherry Hill's energetic Marilyn Murray, who incidentally has won numerous competitive awards summer. Linda Andrus of District 3 was the third member of the Class A triumvirate that garnered a trophy.

Fairlane's Karol Snyder dominated the Class B entrants finishing ahead of Cherry Hill's Karen Wolmar, and the previously mentioned Cheryl Stemlo. Danise Hall of District 4 earned her district's only points with a third place finish in Class C.

Vikings Take 'D' Title

District 7 Dads' Club Vikings won the Class "D" baseball championship of Dearborn Heights by defeating the Robichaud High team Aug. 7 by a tight 8-7 score.

• • •

THE GAME WAS hotly contested from start to finish, with the score tied up and then the lead changing hands eight times before the Vikings settled it for good in dramatic fashion on a perfectly placed drag bunt by Dennis DePaulis to score Coy Bawcum from third to cop the city title.

The Vikings had many heroes on this day. Bawcun pitched the entire game and fought his way through many jams.

John Flanagan's triple and single and all around hustle stood the team in good stead as did Jim Franklin's clutch hit to drive in the tying run in the action-packed eight. Dick Titus connected with his drive and clutch hits just when they were most needed and George (Rocky) Zollar nearly blasted a ball out of Pardee field, it hitting the top of the center field light tower. Bob Ortega once again turned in his always dependable performance and Ben Franas once more played third base as if it were his home.

• • •

BY WINNING the city title the D7DC Vikings qualified for the state R.A.M. district tournament at Wayne. Their first opponent will be Ann Arbor. This is a one game knockout, winners to keep playing until they beat everyone and become the state R.A.M. champs of Class "D"—14-18 year olds.

Last year's D7DC Vikings battled all the way to the finals at Jackson only to lose the state title to a fine Grand Rapids team in overtime.

This year's Vikings are a completely new team made up of much younger boys by Class "D" standards, but what they lack in age they make up in hustle and drive.

• • •

THEY WERE involved in five one-run marginal games during the season and came away with four victories out of the five. Their season's record was 7 wins, 4 losses for a second place finish. From there they went on to win both their playoff games by scores of 3-2 and 8-7. Both games were cliff hangers, going into extra innings.

Team members include John Ruggierio, Buzz McCall, John Flanigan, Ted Tluzcek, Ben Franas, Dennis DePaulis, Dick Titus, George "Rocky" Zollar, Coy Bawcun, Ron Bawcun, Wendell Hunt, Bob Ortega, Jim Franklin and Larry Dixon.

Coaches for the Vikings are Hugo DePaulis and Ed Roedding. District 7 Dads Club is the sponsoring unit.

Senators Picnic Closes Season

The Senators, of the District 4 Little League, ended their season by a trip to Coach Parks' cottage at Lake Chemung near Howell.

The dozen Little Leaguers spent the day swimming and consuming quantities of food, including some 48 hotdogs. Accompanying the boys were Coach Al Terand and Coach and Mrs. Parks.

★ District 7

(Continued from Page 6)

was followed by Clay Schultz of District 8, Cosentino represented Cherry Hill.

The Class B runner-up was Garth Lowery of District 8 and he in turn was trailed by Jerry Hribal of the Fairlane District. The Class C group runner-up was Ken Madeja of District 3 and the third place finisher was Ron Thompson of District 8.

Motion adopted.

Mr. Lovelace reported on the entrance signs of the City and stated that specifications were submitted to the City Comptroller Rey.

Mr. McLachlan reported that the speed limits on Edward Hines were now in the hands of the Wayne County Road Commission and that the speed limit is 35 miles per hour, except during the summer months, a 25 miles per limitation, is being worked out.

Motion by Harris, supported by McLachlan, that the Building Statistics and the Treasurer's Report for the month of June, 1963, be received, contents noted, and filed.

Motion unanimously adopted.

Motion by Harris, supported by Bullinger, that the communication from a resident of the City of Dearborn Heights, be received, contents noted, and filed; and the Clerk be authorized to thank the resident for the interest shown in the community and to inform her that, except for the copies received by the members of the Council, her communication has been kept anonymous.

Motion unanimously adopted.

Motion by Bullinger, supported by McLachlan, that Opinion No. 13 from Corporation Counsel, Re: Ownership of Vacated Street or Alley, be received, contents noted, and filed.

Motion unanimously adopted.

Motion by Bullinger, supported by Harris, that the communication from the Liquor Control Commission, regarding the Class 'C" and SDM licenses of Marvin Kamman, 4901 S. Telegraph Road, be received, contents noted, and filed.

Motion unanimously adopted.

The Council recessed at 9:45 p.m. and reconvened at 9:50 p.m.

Motion by Lovelace, supported by McLachlan, that the Fire Department Employees be granted twelve (12) days per year of sick days and the maximum accumulation of ninety (90) days.

Motion unanimously adopted.

Motion by Bullinger, supported by Harris, that upon the recommendation of the Comptroller, the 10 foot under truck body scraper be purchased from the low bidder, Shults Equipment Sales, in the amount of $1,825.00.

Motion unanimously adopted.

Motion by Harris, supported by McLachlan, that upon the recommendation of the Comptroller, the self-propelled street sweeper be purchased from the low bidder, Telford and Doolen, in the amount of $10,434.00.

Yes: Harris, McLachlan, Bullinger.

No: McCarthy, Lovelace.

Absent: Greenlaw, Heinrich.

Motion Adopted.

Motion by Harris, supported by Bullinger, that upon the recommendation of the Comptroller, curb stops, corp stops and curb boxes be purchased from Ellis and Ford Manufacturing Company, in the amount of $1,980.90.

Motion unanimously adopted.

Motion by Harris, supported by Bullinger, that upon the recommendation of the Comptroller, it is recommended that the award for 5/8 X 3/4" water meters be made to American Meter Control in the amount of $27.84 each-net, provided that it can be determined that our inventory of Read-O-Matic (Outside Direct Reading Unit) in the amount of 164 Badger Units, 264 Worthington Units can be adapted to the American Water Meter; if our direct reader cannot be adapted it is recommended that the award for 5/8 x 3/4" Water Meters be made to Badger Meter Manufacturing Company in the amount of $28.85 less connection until our inventory of Read-O-Matics is depleted; it is further recommended that all future bids for water meters be done concurrently with bids for direct reading units.

Motion unanimously adopted.

Motion by Bullinger, supported by Harris, that the recommendation of Nordstrom-Samson Associates be accepted and the third and final certificate in favor of A. E. Sparling Company in the amount of $350.00 for work completed on the Water Department Building be ordered paid.

Motion unanimously adopted.

In the Matter of the Estate of **TERENTE SHUMOVICH** Deceased.

Michael Berry, Special Administrator and special administrator with powers of General Administrator of said estate, having rendered to this Court his combined first and final account in said matter and filed therewith his petitions praying that he be allowed the fees for services rendered as set forth in said petition and that the balance of said estate be turned over to the executor of the last will and testament of said deceased.

It is ordered That the Twenty-eighth day of August, next at ten o'clock in the forenoon before JUDGE FRANK S. SZYMANSKI at said Court Room be appointed for examining and allowing said account and hearing said petitions.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Dearborn Heights Leader, a newspaper printed and circulated in said County of Wayne.
Thomas C. Murphy,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated July 24, 1963

HITS SPEEDS OF 100 MPH

Driver Parlays Police Warning into RD Charge

James A. McCullough, 32, of 4235 Mayfair doesn't know when he's well off.

Stopped by a pair of Dearborn Heights police officers who only wanted to warn him about his driving, McCullough parlayed that stake up into a full-blown 100 mph reckless driving charge.

Shortly after midnight Tuesday morning Patrolmen Rubin and Whitby stopped McCullough at Telegraph and Van Born. As they tried to reason with the man, he became belligerent they said. He was then issued an improper lane usage ticket.

* * *

AT THAT POINT, McCullough became highly incensed, hopped back into his car and drove it over the curb and in front of oncoming traffic.

An oncoming gasoline truck was forced to make an emergency stop to avoid hitting McCullough's car and banged up against the curb, but the irate driver sped away. At this the squad car gave chase with blinker and siren going. They hit speeds of up to 100 mph north on Telegraph, with McCullough running two red lights, before they could stop him at Telegraph and Rockwood.

The officers said that McCullough drove from curb to curb, cutting across lanes for five miles, maintaining his high speed all the way, before he could be stopped.

Tots Plus Matches Equal $100 Fire

Two pre-schoolers playing with matches set the grass afire near a garage belonging to Andrew Gomalak of 26435 Annapolis last Thursday, igniting the garage. The blaze was discovered by Gomalak who called the city fire department. Damage was estimated at $100.

Assailant Of Girl, 18, Sought

A masked man surprised a teen-age Dearborn Heights couple, parked in their car, early Saturday, locked the yough in the trunk and assaulted the girl. Police are following up several good leads, they said Tuesday.

Police said the 19-year-old boy and his 18-year-old girl friend were parked near Norborne and Cherry Hill. Their assailant first demanded money and the boy showed him his empty wallet.

The masked intruder then locked the boy in the car trunk, dragged the girl to a nearby field, beat her with the butt of his gun and assaulted her, according to Dearborn Heights police.

Warning the girl not to look, he then fled on foot. The hysterical girl ran to a nearby home and called police, who freed the youth.

The girl's assailant was described as a Negro, about 30 years of age, six feet tall and wearing a dark shirt and dark trousers. The couple said he wore a bandana over the lower part of his face.

★ Squabble

(Continued from Page 1)

warrant; I cannot order a court to issue one and this council has no business even discussing the matter."

* * *

JOHN F. DODGE, attorney for Sullivan-Smith, pointed out that for over nine months the firm has attempted to get a list of the needed repairs from Grant so the matter might be resolved. "Would you trust Joseph McCarthy here (council chairman) to select an outside building official from some other community to determine your rights in the matter?" he asked Grant, only to be met with a flat refusal.

With this McCarthy commented: "obviously Grant is not here for a determination of his rights and redress . . . but for issuance of a warrant . . . this is beyond our realm."

Dodge told council members of the desire of Sullivan-Smith to rectify any and all building faults in the home and be rid of the problem. "But Grant does not want this. He wants prosecution. . . not redress.

* * *

"WE ARE A million dollar out fit, not a fly-by-night operation. It would be simply absurd for Sullivan-Smith to rest its consumer reputation on any one home. We did not and do not propose to do that. If Grant will simply tell us in writing what should be corrected or allow a non-partisan authority to inspect the home, we'd all be rid of the problem.

"We can't even get Grant to put down in writing what needs doing, even after a year. We've offered to buy back the home at a profit to him, to no avail. We seriously doubt his position is that of his wife. He doesn't want his rights, to which we admit he is entitled—he wants to penalize us."

At one point in the heated hassle, **"Chairman McCarthy** told Grant, **"I do not intend** to let this become a rock 'n roll session. We will not have citizens impugning the reputation of city officials" as he banged the gavel for order.

★ Taxes

(Continued from Page 1)

owners" presumably by allowing local municipalities to continue income taxes while also levying a state-wide income tax. He adds that has ever reason to suspect plans are near completion for allowing local communities to levy sales tax.

* * *

CARRIED TO its ultimate, the senator states, this could mean that the state would levy income and sales taxes, the local municipality (as Detroit is now doing) would levy both types of taxes and when and if Wayne County goes under home - rule government it could also do the same. 'How compounded can our tax picture get?" he asks.

Ford indicates that any such changes in the tax structures would be in direct conflict with the wishes of the people of this metropolitan area. "They have not forgotten their opposition to city income and non - resident taxes," Ford avers, "but they are all hopeful that some type of state-wide reform will eliminate need and possibility of local income taxes. Double taxation in this instance is bound to have every taxpayer up in arms."

'I DON'T BELIEVE people in my area want to see a continuation of the local income tax; **Ford stressed.**
